My dear S—

I regret exceedingly that I cannot attend the Annual Meeting of the Trustees of the University to be held to- morrow. Having been ill for some time past, I am leaving the City for the West tonight to be absent for a few weeks, and consequently will not be here to attend. I wish you would kindly mention the reason for
my absence.

Dear too has entered our family and taken from us our only child, and I am feeling sad indeed.

I hope 5 pray for you success and that of the University.

If I can serve you or the good cause command me.

If I were able financially I would glad to help the load you have to carry.

May be some time

Please remember love.

Yours truly,

D. Kriff
My Dear Brother:

Returning this morning from Indiana, I found your letter of the 28th. I did not think the record of the meeting you mention, and cannot remember what it was. I believe the meeting has been the one called in the university building. Besides the usual report of the president, there was a report by Judge Deuel, for a committee appointed to hold down the raising of the debt. After a good deal of discussion the report was of no use, as the committee to judge the time money to save the buildings against the faculty.

If I am mistaken in supposing that this is the meeting which you refer to, please let me know, and I will try again.

I know, right well, what attending college is, and I congratulate you. Truly,

F. W. Smith.
Dear Mr. Parrott:

The name marked (1) is that which I presented to the Board as a re-
guest. The one marked (2) is a list of the names of the present Board
so far as complete when the matter went out of my hands. The
vacancies marked by declinations were then filled by names
prompted by Mr. Anderson.

Please excuse my slowness.

Yours ever truly,
