A joint meeting of Regents and Trustees of the University was held yesterday afternoon at the Sherman House. Ex-Senator Trumbull was called to the Chair, and J. A. Smith made Secretary. There were present of the Regents: Judge Trumbull, Dr. Ryder, Dr. Parsons, Dr. Kohler, and Dr. D. B. Cheney; of the Trustees: Mr. Scammon, Judge Doolittle, O. W. Barrett, Esq., Fernando Jones, Esq., F. E. Hinckley, Esq., President Moss, Chancellor Burroughs, and J. A. Smith.

Dr. Burroughs stated the object of the call to be that the present condition of the University indebtedness might be laid before gentlemen of the two Boards, and measures concerted for completing the provision already begun for its discharge. The statement of Dr. Burroughs showed that the sum of $25,000, in addition to what has been already received, will cover the entire amount of the funded debt, with accrued interest, and he hoped for an immediate and combined effort to secure this amount. To this proposal a unanimous response was made on the part of the gentlemen present, and, after considerable discussion as to the best means, it was finally

Resolved, That a committee of three members from each Board be appointed, to co-operate with the Chancellor in such ways as he shall need, in laying before the friends of the institution in this city, personally, this particular object, and in soliciting subscriptions for what remains unprovided for of the funded debt; and that the Finance Committee be requested to put the financial statement already prepared by them in a form to be printed for such use as this Committee may find expedient.

The Committee chosen was, Judge Trumbull, Dr. Gibson, and Dr. Cheney, of the Regents, and Judge Doolittle, Mr. Greenebaum, and Mr. Mesker, of the Trustees.

It was also voted that it is the judgment of this meeting that application should be made by the Chancellor to the citizens of Chicago to at once provide for what remains needful to cover the funded debt, and that each member of the two Boards be requested to co-operate with him, as called upon, in that service.

MORNING SESSION.

The Rev. Dr. Smith, D.D., President of the Council, in the Chair.

The meeting opened with a prayer by the Rev. Dr. Johnson, D.D., President of the Chicago University. The President then gave an account of the formation of the University and the successful struggles of its late President in raising funds. He referred to the fact that the University was now a great and important institution, and that the funds were now being raised by the most systematic method possible.

The Rev. Dr. Smith then addressed the meeting, and after giving an account of the organization of the University, he referred to the future of the institution, and stated that the funds were now being raised by the most systematic method possible.

In answer to a question, the President said that the funds were now being raised by the most systematic method possible.

Mr. Jones, a member of the University, then addressed the meeting, and after giving an account of the progress of the University, he referred to the future of the institution, and stated that the funds were now being raised by the most systematic method possible.

The President then announced the adoption of a resolution in favor of the establishment of a new college in the city, and that the funds were now being raised by the most systematic method possible.

In addressing the meeting, the President referred to the establishment of a new college in the city, and stated that the funds were now being raised by the most systematic method possible.

The meeting adjourned.

AFTERNOON SESSION.

The President in the Chair.

The President then called to order, and after giving an account of the past, he referred to the present, and stated that the funds were now being raised by the most systematic method possible.

Letter from Dr. L. H. Douglass to the Editor in the "Christian and Chronicle."

To the Editor:

Dear Sir,

I have the honor to present to you the following communication from the Board of Trustees of the University of Chicago:

We believe that the "Bible of EVERYMAN" is a book of great importance, and we are therefore pleased to offer our hearty endorsement of it. We believe that it is a work of the highest merit, and we are confident that it will be of great service to all who use it.

Yours truly,

The Board of Trustees of the University of Chicago.
EVANSTON DEFEATED.

And the Most Important Event of the University Trustees Meeting Last Night.

By the Signal Failure of the Attempt to Elect Moses as President.

It was a Very Warm and Somewhat Airless Scene.

In which the Boroughs Party Displayed Their Superior Numbers.

The court of trustees of the University of College held its annual meeting last night, being the longest meeting of the board of trustees this year. It was the longest meeting of the board, lasting over two hours. It was expected to be a very friendly meeting, and the decision of the board to proceed with the confirmation of the president-elect, Professor Moses, was received with great enthusiasm.

The meeting was held in the usual manner, with a short address by the president, who praised the work of the board in the past year. The president-elect, Professor Moses, was then presented, and the vote of confidence in his work was passed unanimously.

The meeting adjourned at 10:30 p.m., after a brief discussion of the various matters that came before the board. The trustees expressed their satisfaction with the work of the board during the past year, and pledged themselves to do their best to continue the good work in the future.

The trustees adjourned to meet again on the 15th of next month.

Resolutions of Respect to the Memory of Capt. Cowley—A Salute

The Combatant.

But few battles which men have been engaged in at this war, have been so well adapted to the purposes of our contest, as the one which occurred off the coast of New Jersey. The enemy, in the midst of the war, concluded to take the town of New York, and the demand was made that the flag be raised on the fort, which, if so, would have been an insult to the honor of the Union. The battle was fought on the 10th of May, 1861, and the fort was taken by the enemy.

The following is the report of the action:

The action of the 10th of May was fought off the coast of New Jersey, and the fort was taken by the enemy.

THE NATIVE.
