E. S. Davis, Esq.

Dear Sir:

Yes— I can do the service you desire on any day during the "1st week in June" and on usual terms as will suit you. Mr. King paid me for a similar service $25. If you should pay me $30, I should tell my wife with her, and I may do that, anyway.

But do let us take a new subject— "The Honey-King," or "The Voter," and I will add, if desired, the best selection from "New England," which can be done fairly enough as none of the poems exceed forty minutes in the delivery.

Please write me at once, and we

Your truly,

Jno. E. Diapos.

P. S. On the 20th or 21st of June I shall start for a fellow commissary in Kentucky.

E. D. Dear Sir:—

I received your last coming. The mystery is very satisfactorily explained.

Certainly, you need not to be afraid, and we know it done to anybody. We are not afraid and the money paid today. Do you the favor to pay and a visit when you can or please send your lines to Burlington.

Burlington, 13th Uld. Morning.

Dear Sir:—

I left Middlebury on Saturday without seeing you— and therefore resumed the $25 which was the "consideration" of the former bond before paid. I have now the amount to send by record, and hope these truly,

Yrs. C. Dana,

To C. S. Dana, Esq,
Sec. Wash. Co., &c. &c.
