Sir I have on the List 35 mens  
Names as Redemptioners and several more  
that would not put their names down  
till the Ship is ready to take them on  
board there is 12 Sterege passengers names  
down on the List and there are several  
that woud give part of the money here  
if you would agree with them to serve  
a shorter time and I would thank you  
to let me know whether you would  
take them on such terms

Sir I remain Yours
