

Kennett Square Pa.

Oct. 12, 1866.

Dear Sir :

I meant Nov. 27  
(Tuesday), which date will  
best suit me; but if you  
can't possibly make that  
answer, I will try to ar-  
range a day towards the end  
of January (perhaps the 24<sup>th</sup>)  
I can tell you positively  
by the time I hear from you  
again.

Very truly yours,

Rayard Taylor
