When I am driving
Jenny Lake Lodge is
very attractive. Very good
food. We live in a cabin.
—K's delight. And we—
have to build a fire in
the morning in the little
shack (the to get warm.
It is 18 miles to E."
camp. More than half
over dirt roads. The
clouds of dust really rise.
K says he doesn't think

Dearest Daddy

Ed is fine. Quite the same. I am sure he has enjoyed it, but you know how he is. At the moment we have not gone much beyond the details of packing. The roads were fine. Very hot and very dusty. Have 2 nice chevrolts—year shift—poor Kenny. He thinks he is bucking or bucking branches.
