We wish to call your attention to the A. J. Bruce Dispersal—Robt. Macfarlane Draft Sale, Union Stock Yards, Chicago, on June 8th the day following our sale.

PLEASE BRING THIS CATALOG WITH YOU TO THE SALE
We Invite You to Our Best Production Sale...

The seventeen annual sales held at Edellyn Farms have been a lot of pleasure and satisfaction to me and I look forward eagerly each year to the gathering here at the farm of all those that are interested in Shorthorn cattle.

It is with genuine pleasure that we again extend to you a very cordial invitation to Edellyn Farms on the occasion of our eighteenth annual auction which will feature sons and daughters of our great stock bulls, Calrossie Mercury and Edellyn Command. We have sold some outstanding lots of cattle in the past, but for quality and uniformity of type throughout, these are without a doubt the Best of all time.

Study this catalog carefully, for in it you will find bulls that are destined to be outstanding improvers of the breed and they are going to be worth owning. You will also find as fine a bunch of well bred heifers as was ever in any auction sale. They too are going to be worth owning for only on such foundations of quality and type, and from ancestry that are dependable producers can real progress be made with Shorthorns.

We also want you to see the marvelous calves by Edellyn Royal Leader, see our great herd of brood cows, Calrossie Mercury and Edellyn Command, the new crop of calves coming on and Edellyn in June. We certainly hope you will honor us with your presence on June 7th.

CALROSSIE MERCURY, supreme champion at Perth, 1939, and supreme champion, Northern Counties' show, 1938, being the only bull ever to defeat his sire the famous Calrossie Control. Mercury's first calf, Calrossie Souvenir, was Supreme Champion at Perth, 1941, selling to the Cluny Castle herd where he is making a great record as a sire. Sons of Calrossie Mercury are furnishing the impulse for better heads, deeper lower set, more compact bodies and thicker, smoother flesh. His daughters are the last word in type, character and femininity. There is no greater sire in America today than—Calrossie Mercury.

The incomparable Perth Champion and head of the New Dynasty.

EDELLYN COMMAND has always appealed to knowing cattlemen as their kind of a bull. As he matures this becomes more and more obvious. His sons are proving to be wonderful sires wherever they have gone and the popularity of Edellyn Command increases as this becomes evident. His daughters are held in high esteem, improving with age and making ideal brood cows that produce typy, good colored calves, and take extra good care of them. They have all proved to be extra good milkers.

(Twin) see opposite page. This
great pair of calves are out of the
same dam as Edellyn Convoy Com-
mand, one of our top bulls, a year
ago, selling to J. A. Collier and son
of Oklahoma. This most certainly
is one of the great calves that has
been sold in years. His remark-
able balance, his superb type and
the extreme thickness of hind
quarter stamp him as a leading
contender for top honors. With
such quality in the dam, grandam,
and great granddam and their re-
spective sires, no better back-
ground could be found for a herd
bull.

A Mercury that
would
be hard to beat at any show.

Edellyn Goldie 12th 2087429—Only a last minute switch placed this heifer in the sale. We did not take her picture because she was going into the breeding herd. Here is an ideal daughter of Edellyn Command out of an imported cow that has been a real producer. One of her daughters in the Beath herd in Canada produced the dam of Edellyn Mission Mercury, the sensational Nelson Trophy winner of 1941. We had to replace another heifer or this one would never have been sold. Buy her—she is a good one to own.
**EDELLYNS BREEDING** ● ● ● BRINGS OUT THE BEST

EDELLYN BROADHOOKS 18th is certainly a sweet daughter of Edelwyn Modern Mercury, the $25000 son of Calrossie Mercury, now the head of the F. S. Davidson herd in Ohio. The next dam is one of the best daughters of Edelwyn Command, and was in our show herd in 1941. The granddam was Junior Champion at Ohio as a yearling and the next dam was the top heifer of her year and now in the Oklahoma A&M herd. These are all heavy milking cows.

Edellyn Augusta 20th 2126867—Picture was not taken as she was slated for the breeding herd up to the very hour that this catalog went to press. This daughter of Calrossie Mercury will be one of the most desirable in the sale. Look her up and you will see why we wanted to keep her. The heifer speaks for herself and you can't beat her pedigree. One of the best females to be sold this year.
EDELLYN ROSEWOOD 32d will make a great foundation family for a Rosewood 86th tribe in your herd. She is a daughter of Mercury and in calf since November 19th to Edellyn Command. This should prove an outstanding mating and this very thick good headed heifer comes from a line of ancestry that is modern in type and character.

Edellyn Rosewood 32d

Edellyn Roan Lady 15th 2126877—is certainly the right kind to buy. She is by the Perth Champion and out of a very typy and breedy dam by the All-American Junior Champion, Raveni Leader. Out of the same dam as Edellyn Daily Command, one of the best bulls in our 1942 sale and purchased by Judge Woods of Ohio, and Edellyn Roan Lady 12th, purchased by Henry Knight of Kentucky. There is not a breeder in this entire pedigree that isn’t well known for the quality of his Shorthorns. She will improve any herd.

Will Johnson Says:

Now you have come to the end of this catalog. I am sure that you will agree with me that though for a quarter of a century Edellyn Farms have been recognized to be the Herd Bull Headquarters of the United States and a most prolific source of foundation females of the highest class, the sale offering described and pictured in this catalog is superior to any that heretofore have been sold at Edellyn and that it contains the fourteen best bulls ever offered by one breeding establishment in one sale in America.

Alvin H. Sanders, author of The History of Shorthorn Cattle, said recently in the columns of The Shorthorn World, “There is nothing that will quite displace the human eye and hand as a judge of Shorthorn conformation.” That being true, I can assure you that the good impression that you have formed of this great offering of Shorthorns will be greatly augmented when, on June 7, you will see these grand cattle without the aid of the camera and you will feel their quality and the thickness and smoothness of flesh with your own hands. Truly this is Edellyn’s Best of All Times Sale.
