SCOTCH SHORTHORN CATTLE

Monday, June 4th, 1945

THOS. E. WILSON, Owner
We Invite You to Our Sale of Sales...

You may be sure that all of us at Edellyn were extremely happy to learn that Cluny Brave Knight, a grandson of Calrossie Mercury, had been made Supreme Champion at the 1945 Perth Show; which made four successive championships in four generations. His sire, Calrossie Souvenir; his grandsire, Calrossie Mercury; and his great grandsire, Calrossie Control, all have been Perth Champions before him.

Likewise here at home the sons of Mercury have been winning championships and siring some of the greatest cattle of the breed. Edellyn Campeon Mercury making a grand slam at the Fort Worth show by siring both bull and female champions and the winning get of sire. No greater proof than all this, of the prepotency of Calrossie Mercury can be given.

Brilliant as may be the record of the Mercurys, the first crop of calves by Edellyn Royal Leader instilled him stronger than ever as the All-American favorite. His calves are certainly the right kind and they keep improving with age. The bulls that sold in our last year’s sale have made a tremendous impression on everyone that have seen them lately. Holders of the record price for the get of one sire and the high individual, they closed the year by winning the Bull Grand Championship at the International and the Reserve Championship on Females.

We are indeed proud of this sale offering, combining the get and services of these two great bulls. No offering in recent years has the potential possibilities of the cattle listed in this catalog, and we recommend them very highly to you. Never has it been so important to have a good bull at the head of your herd with a real background. Never have we offered in one sale so many that are qualified to bring you everlasting satisfaction and success with Shorthorns. Never have we had so many exceptionally good females. It is truly the Sale of Sales.

We sincerely hope that you will honor us with your presence at this—our 20th Annual Sale. A cordial welcome awaits you and we know that you will enjoy seeing the sale cattle and, Edellyn in June.

Edellyn Royal Leader 11th

- Grand Champion bull of the show and sold at the top of the entire sale to Byron Hawks of Pullman, Washington. From Edellyn famous Broadooks family, sired by the All-American favorite and out of a Calrossie Mercury dam, he represents the result of the blending of the blood of Edellyn’s famous sires. His breeding and near perfect form mark him as a great sire.

Will Johnson Says...

So much has been written and has been said about Edellyn Farms’ famous herd bulls, past and present, that breeders everywhere recognize the fact that no herd has used sires that have done more for the improvement of the breed than have those at Edellyn. Each succeeding show season impresses that fact more firmly upon the minds of those interested in Shorthorn production and Shorthorn progress.

It is just as essential that a herd be composed of superior cows as that impressive sires be placed in service. The females at Edellyn have been selected with the same care and with the same determination to utilize only the best, as was devoted to the herd bulls.

During the twenty-six years that this grand herd has been in existence, only the tops of the breed have been placed in production, only those that have proved their ability to produce calves of superb type, quality and character have been retained after trial. It is the mating of such females with Edellyn’s superb sires that has resulted in producing the grand lot of specimens listed in this catalog.

Displayed above is the picture of The All-American Favorite, Edellyn Royal Leader, with his illustrious mother. A study of this offering will show that every bull in the sale is the product of a famous cow and that every heifer that will be sold is the sort that will develop into such a cow.

One must not expect superior breeding cattle to be produced by ordinary cows. Edellyn Farms cows are of the sort from which improvement is obtained.

Edellyn Violet 12th—Reserve to the Grand Champion female of the show, one of the top selling open heifers of the sale, and purchased by Dr. W. A. Taylor of Wisconsin. Sired by the All-American favorite and out of an Edellyn bred dam, she also represents the best of famous blood lines. She was Grand Champion at Toledo and is rated one of the best females of the breed.

EDELLYN COLONEL MERCURY—Is out of the show cow Edellyn Orange Blossom 25d, considered the best daughter of the International Grand Champion, Sultan Browndale. She is also the grand dam of Lot 3, selling in this sale. Colonel Mercury is also the full brother to the dam of Lot 2. This is a very excellent family of cattle and they always do well for their owners. If you would have your cattle low set and smooth fleshed this bull will certainly do it because all his immediate ancestors are that kind.

EDELLYN TROJAN MERCURY—A son of the Illinois and Iowa State Fair Grand Champion and out of a real thick low to the ground, kind of a cow, that traces to one of the very best of our Collyrie cows. This is a very typical calf, smooth as an apple and straight as a string. He will develop right and have the bulkiness and stiffness of his sire. From the kind of a sire and dam this bull is from we are confident that he will give a real account of himself.

BROADFIELDS GOLDEN CHAIN

BROADFIELDS GOLDEN CHAIN — Is without a doubt one of the grandest heifers that ever was put up for auction. Sired by Edellyn Royal Leader, out of a wonderful red cow by Edellyn Command and safe in calf to Edellyn Bonny Mercury, a great bull out of the same dam as Royal Leader, this heifer represents the very best combination of blood lines that can be put together. There is not a Shorthorn breeder in the world that would not like to own this heifer. Bred Oct. 21, 1944.
