SHORTHORN CENTENNIAL

Monday, June 3rd, 1946
THOS. E. WILSON, Owner
We Invite You To Our Shorthorns Centennial Sale...

Shorthorns 100 years of service to American agriculture finds them in the very enviable position of holding 3 world price records on steers and the record price for a bull of any beef breed. This certainly is an accomplishment that all breeders of Shorthorns may be justly proud, and furnishes ample evidence on the rewards of quality.

We are proud of the record of performance of Edellyn bred Shorthorns, for wherever they have gone they have been a good influence in the production of top cattle. Ample proof of this is the 1945 International Congress, recognized as the show window of the best that the breed produces, showed that no less than 76% of the cattle traced their ancestry to Edellyn, and included the grand champion and high selling bull, the reserve champion female, both bred and shown by Edellyn, and the high selling female was sired by an Edellyn bred bull.

The winning of the grand championship over all breeds at the Chicago Fat Stock show, by the Shorthorn steer Tomahawk, was a great victory for our breed. Acknowledged by the competent judges as the greatest steer ever to win at Chicago he presented a pattern of perfection that could not be denied. The fact that he was sired by an Edellyn bred bull made us doubly happy. The grand slam victory of the get of Edellyn Campeon Mercury at Denver and Ft. Worth, the top selling bulls at the Canadian Sale sired by Edellyn Roman Mercury, and many others, bring joy to our breeding program.

Now we are selling another great offering from the same cow herd and the same great battery of bulls that have produced records on end among American Shorthorns. We recommend them very highly to you for we are confident that they will do for you, what their ancestors have done for us, and we sincerely hope that you will honor us with your presence at Shorthorns Centennial at Edellyn.

CALROSSIE MERCURY — Perth Champion in 1939, was sired by the 1923 Perth Champion. His first son won the same championship in 1941 and in turn sired the 1945 winner, one of the greatest feats in all Shorthorn history. The sons and daughters of Calrossie Mercury in America are demonstrating that this feat was no accident but the prepotency of a blood line that has no equal.

EDELLYNS ROYAL LEADER 39TH — Here is a bull of the same family as the last three Congress Champions and sired by the same bull as the last two. Here is Edelwyn’s breeding at its best and a very choice bull to go with it. He is a full brother to Edelwyn Broadhooks 24th purchased by Curtis Candy Co. in our 1944 sale, and one of the best in the offering. We are very enthusiastic about this calf and feel that he will be a great sire in a good herd.

EDELLYNS ROYAL LEADER 41ST—One of the youngest calves in the Sale but so well backed by good MacGillivray breeding that he cannot fail to grow out into a real hard bull. His dam has produced some of our top heifers, one selling last year for $1,675 and one for $1,800 in 1943. The recent top of the Ft. Worth Sale, at $2,800 was the Merryvale calf out of one of these heifers. This younger’s ancestry and his character and smoothness will add up to a good bull.

EDELLYN PARAGON MERCURY—Is the first son of Calrossie Mercury that we have offered for sale that is out of an Edellyn Royal Leader dam. This dam was Leader’s first calf and sold in our 1944 sale to Marell-bar for $1,750. The grand dam was one of the top heifers in the Beath Sale and the great grand dam is the imported Cluny cow. Every individual in this pedigree has a wonderful record of performance and the individual merit of this bull, backed by such ancestry can’t help but produce cattle of the All-American Pattern.

EDELLYN ORANGE BLOSSOM 58TH

First prize summer yearling at the Ft. Worth Livestock Show, this daughter of the All-American Favorite is out of an imported cow that carried 5 crosses of James Durno breeding, with Scotland’s best bulls represented. Seldom is presented an opportunity of buying a heifer out of a granddaughter of Naemoor Jasper. She carries the service of Edellyn Formost Mercury, one of Calrossie Mercury’s most promising sons. Bred Oct. 17th.

ROSEWOOD 143RD—An extremely well bred heifer, right up to calving. Her maternal sisters are valued brood cows in the herds of Maxwellton, Purdue University and P. F. Law. Her dam Rosewood 114th was shown with success as calf, yearling and as a two year old and has been a consistent breeder in the Murphy herd. Bred to Edellyn Royal Leader 154, first prize bull calf at the 1945 Denver show. Bred Sept. 13th.

GOLDEN OAK MAYFLOWER—This beautiful red daughter of the $5,000 Prince Peter is an ideal type, smoothly turned and with a grand head. Out of one of the best cows in the Caraway herd, and a daughter of Browndale Hero the outstanding product of "The Perfect Nick." Maxwellton Mayflower is sired by Calrossie Roan Challenger, a grandson of Cupbearer of Collynie. Both sire and dam trace to MacGillivray breeding.

EDELLYN ROSEBUD 6TH—Is a full sister to Edellyn Rosebud 5th purchased in our 1945 Sale by Claassen Bros. of Iowa. They bred her to Goldfinders Champion and produced their sensational junior herd bull, Goldfinders Royal. Here is a heifer that is exactly the same pattern and she will do just as well for her new owner. She is bred to Edellyn Royal Leader 23rd, the first prize senior bull calf at Ft. Worth, and whose dam is one of Mercury's greatest daughters. What a combination this is. Bred Jan. 31.

The daughters of Edellyn Command are real breeding cows and this sweet heifer with her grand Orange Blossom pedigree will do likewise. Mr. E. J. Tweed bought Edellyn Orange Blossom 56th a full sister in last year's sale, bred to Edellyn Royal Leader 16th, and she has a heifer calf at side now that is the equal of any calf we have seen anywhere this year. This is a real heifer to buy and being bred to Edellyn Royal Leader 23rd guarantees a calf that will be a real pattern of perfection. Bred Feb. 1st.

EDELLYN FLOSSY SHANE 6TH — As valuable a female as Edellyn has ever sold. Her full sister, retained in the herd, is the best female ever bred at Edellyn. Couple this with the fact that her dam is the only Collynie Royal Leader cow in America and she of Calhoun Famous Floss family, that produced the Reserve Champion bull at Perth this year, and being sired by Edellyn Royal Leader provides an open heifer the equal of which we have never sold.

GARSON'S MYRTLE—A sweet little heifer by a good grand son of Barrage, and a direct descendent of our grand old Pikingas Myrtle 2nd. The grand dam was one of the tops in a Beath Sale and the dam is one of Sti-A-Bar Royal Barons best productions. She has been mated to Edellyn Royal Leader and with nearly a perfect color scheme behind her and nothing but low set smooth cattle. What an opportunity to get the calf that you have been looking for.

PLEASE NOTE

To all those who desire to come to Edelwyn on Sunday, the day prior to the sale, we extend a cordial invitation to inspect our sale offering and our breeding herd as well.

We wish to call your attention to the Northwest Chicago Shorthorn Breeders Sale on June 4th, the day following our sale, at the Union Stock Yards, Chicago. Plan to attend both sales.

The management of each sale will cooperate in assembling of cattle for shipment at lowest cost to the purchaser.

Edellyn Royal Leader 14th Selling To C. M. Carraway & Sons

Will Johnson Says...

LET'S BE THERE

Above is a picture of the sale ring at Edellyn Farms' 20th annual sale. The sale was held on Monday, June 4th, last year. The attendance was the largest, the cattle were the best and the prices were the highest of all of Edellyn Farms sales. Will you be one of those who will sit at that sale ring on Monday, June 3rd, this year?

If you can arrange to attend and do come to this epochal auction sale, you will see, not only the top offering of Shorthorns ever sold from Edellyn, but the top offering from the Nation's greatest herds.

Since Calrossie Mercury's heifers have been bred to and have produced to the service of Edellyn Royal Leader and Edellyn Royal Leader's heifers have produced to the service of Calrossie Mercury and his sons, it has been demonstrated that the combining of the inherited factors of these two bulls is the most successful nick that has been observed to this date.

It is presumed that you have read and studied the rest of this catalog before you came to this, the last page. You cannot fail to have been impressed with the excellence of type shown by the many illustrations of cattle that will be in this sale and by pictures of their sires and, in many cases of their brothers and sisters. From the pedigrees, you have concluded, doubtless, that no better bred Shorthorns ever have been offered for sale. All that you need in order to confirm the good opinion that you have formed of these grand cattle is to see them. That opportunity and the opportunity to gain possession of these superb Shorthorns will be presented on June 3rd. Let's all be there.

Will Johnson
