Edellyn Farms

Scotch Shorthorn Cattle

Monday, June 7th, 1948

Thos. E. Wilson, Owner
We invite you to our annual auction sale.

I receive a great deal of pleasure from studying the pedigrees of Shorthorns everywhere, and especially at the great shows and expositions, and it is with pardonable pride and satisfaction when I note a prizewinner carrying Edellyn breeding. You may rest assured that when BIG BOY made it 3 in a row for Shorthorns at the last International Steer Show that we knew he was sired by a son of Edellyn Campeon Mercury, who was purchased in one of our June sales. We also knew that when TOMAHAWK won the same honor in 1946 that he was sired by Edellyn Grand Command also purchased in one of our sales. The pedigree of ROYAL JUPITER, the 1946 winner, shows his dam to be sired by a son of Edendale Archer who was purchased in an Edellyn sale. Many more examples could be cited, but to have contributed a part in these 3 greatest of all Shorthorn accomplishments certainly is the truest indication of the prepotency of our blood and breeding.

We are of the opinion, as well as our pre-sale visitors, that this year’s offering will contribute more to the Shorthorn business than anything we have ever sold. We are exceedingly proud of them and it is with genuine pleasure that we again extend to you a very cordial invitation to Edellyn Farms on the occasion of our 23rd Annual Sale.

EDELLYN ROYAL LEADER — The ever popular All-American favorite has established himself as one of the greatest bulls of the breed. The sire of champions and high selling cattle in the greatest and strongest of competition, his sons and daughters everywhere, adding to his tremendous popu-

larity by the superior merit of their calves. His breeding consistency was well demonstrated in

our winning “Best 10 Head” at the 1946 International. Nine were sired by him and one by a son.

EDELLYN ROYAL LEADER 23rd

rossie Mercury’s Favorite daughters, outstanding and undefeated in 1946 senior yearling class, in-

cluding the Royal and International, Grand Champion at Indiana State Fair and member of prize

winning groups. Combining the good qualities of the Mercurys and the Royal Leaders, he is desti-

cated, and bred to breed. His calves are outstanding and continue to grow in popu-

EDELLYN DIAMOND MERCURY

—The son of Calrossie Mercury that is out of the same dam as Edellyn Royal Leader. Exceptional breeding, outstanding from the very first, he was chosen early in life for service at Edellyn. Sired by a Perth champion and out of a cow that was reserve grand champion at the Highland and as a yearling, and recognized as one of the most valuable cows in the country. He is the sire of Edellyn Two-Fold Mercury Grand Champion at Illinois and Iowa State Fairs 1947.

SALTOUN SQUADRON LEADER —Purchased at Perth, 1946, where he stood third in the younger March class and bred to order for service at Edellyn. He represents no violent outcome but a further infusion of bloodlines already well established in the herd thru the Mercury and Royal Leaders. His sire was his class at Perth, 1944, and sold for 1700 gns. to Capt. Fletcher. His dam is also the dam of Saltoun Air Marshall, first at Perth, 1948 and sold to Laidlaw Smith of Pittodrie for 2,000 gns. Aldie Conqueror, a grandson of Calrossie Royal Leader, is recognized as one of the greatest sires of the breed today. Some of our best calves are by this bull.

Edelwyn Royal Leader 81st

**Edelwyn Royal Leader 81st**—Is a full brother to Edelwyn Rosewood 44th, the outstanding heifer that Percy Law of Canada bought in our 1945 Sale. This Rosewood family has always produced well at Edelwyn. Edelwyn Rosewood 17th a show heifer in her own right, produced Edelwyn Modest Mercury the top of our 1941 Sale and many other high selling cattle. This calf is a little young but he is such a grand calf we have decided to put him in at the last minute.

**EDELLYNS PATTERN • • • IS THE ALL-AMERICAN PATTERN**

**EDELLYN MAJOR LEADER**—A promising son of Saltoun Squadron Leader and out of a real producing imported MacGillivray cow that's by the same sire as the dam of Calrossie Souvenir the Perth Champion. She has produced some of our tops, a heifer selling for $1,675 in our 1945 Sale and one for $1,800 in 1943. Edellyn Clipper 41st selling in this sale is out of this same dam. These Squadron Leader calves are good doers and hardy eaters and they are very promising.

**EDELLYN FEARLESS LEADER**—First calf by Saltoun Squadron Leader and out of the same dam as the very good Edellyn Ferdson that sold last year to Dr. Booth of Va. Calrossie Fearless, a half brother to Calrossie Mercury, purchased at Perth by Henderson of Lawton, where he sired Lawton Marvel, sold in the Argentine for 2,800 pounds, also Kaier Banker sold to the Argentine for 2,980 pounds where he sired the three top bulls at 1947 Palermo. This outstanding type, good headed calf, backed by such wonderful breeding in the dam and the individual merit of the sire with his breeding and doing qualities, guarantees a real prospect.
Edelwyn's bloodlines flourish wherever they are planted, because they are the result of carefully considered matings, not only in balancing the individual merit of each animal but the blending of the bloodlines that have commanded worldwide leadership.

Edelwyn bloodlines have made the headlines by their continual contributions to the many great Shorthorn accomplishments at the leading shows and sales everywhere, thru the winners tracing their ancestry to cattle carrying Edelwyn's Lifetime quality, because its an Everlasting Feature.
The Edellyn cow herd is recognized everywhere as one of the very best in the business, excelling in uniformity of modern type, character and possessing faultless pedigrees. Outstanding additions have maintained the quality down thru the years so that the herd is at top strength always. The 23 heifers listed in this sale are so uniformly good, and by such outstanding sires and out of such cows as are pictured on the opposite page that any one of them could easily have a record of performance the equal of any cow in our herd.

Her dam is a full sister to the dam of Edellyn Royal Leader 46th selling as Lot 1 in this Sale. Scotstoun Jealous Jean was the dam of Edellyn Royal Leader 33rd the top of our 1946 Sale. Along with the Royal Leader-Mercury cross, and the fact that she is bred to Drayton Squadron Leader, she is a great individual with a grand head and the right kind of immediate ancestors.

Will Johnson Says...

Edellyn Farms have set the pattern for Shorthorns for more than a quarter of a century. Each succeeding crop of calves has approached the ideal more nearly than the preceding productions. The crops from which the 1948 sale offering has been drawn are near perfection and every lot in this catalog will advance the breed and enable its buyers to produce better Shorthorns than heretofore.

Calrossie Mercury (Imp.) has sired Shorthorns of superb character and extraordinary thickness of flesh. Edellyn Royal Leader has improved the breed's type and fixed most desirable color in his offspring. The blending of the blood of the two and the introduction of Saitoun Squadron Leader has resulted in producing the Best of Shorthorns.
