**Calrossie Mercury**—The first Perth Champion to come to this country, died Feb. 13, 1948. His record will live thru the years as one of the greatest improving influences the breed has ever known. The progeny of the line thru his remarkable progeny, has been carried into every Shorthorn stronghold. The Mercury Dynasty won the world's highest honor when Big Boy a great grandson of Calrossie Mercury won the Grand Championship over all breeds at the 1942 International. For fleshing and substance they have no equals.

EDELLYN ROYAL LEADER—The ever popular All-American Favorite has established himself as one of the greatest bulls of the breed. His sire was a champion, and his sons and daughters everywhere add to his tremendous popularity by the superior merit of their calves. His breeding consistency was well demonstrated in our winning “Best 10 Head” at the 1946 International. Nine were sired by him and one by a son. During the 1948 Show season his get of sire won at every major show except one.

SALTOUN SQUADRON LEADER—Purchased at Perth, 1946, where he stood third in the younger March class and brood to order for service at Edellyn. He represents no violent outcross but a further infusion of blood-lines already well established in the herd thru the Mercurys and Royal Leaders. His sire won his class at Perth, 1944, and sold for 1700 gns. to Capt. Fletcher. His dam is the dam of Saltoun Air Marshall, first at Perth, 1945 and sold to Loudon Smith of Fiddletree for 2,000 gns. Aldie Conqueror, a grandson of Collynie Royal Leader, is recognized as one of the greatest sires of the breed today. You will like his calves in this sale. They are good doers.

**Edellyn Royal Leader 88th** — A Royal Leader with a concentration of Mercury breeding thru his dam, and a direct descendant of one of our famous imported Colby Line cows. Here is a good bull and from our experience with double Mercury breeding on the sire side we predict that with this Royal Leader blood line in the sire and a concentration of the Mercury in the dam, great things can be expected.

Builders of the Breed...

The bloodlines originating from these famous Edellyn sires have been successfully used in every leading herd and their improving influence has been a major factor in maintaining the high standard and everlasting popularity of Shorthorns in America. These bloodlines are available to you at their best in this sale.

Founders of Dynasties...

Foremost in American Shorthorn accomplishments these famous Edellyn sires founded the four leading and most popular dynastys during the past 25 years and their influence has been so dominant that 77% of the American bred cattle in the 1948 International Congress sale trace their ancestry to them. It’s how they produce that counts.

MILLGATE BUTTERFLY 2ND was shown with success in the junior heifer calf class last year and is the type that would do well as a junior yearling in 1949. Sired by Edel lyn Royal Leader 8th, the top of our 1944 sale, and out of a Butterfly cow sired by a son of the imported-in-dam Edel Lyn Command by Cal Rossie Command, and the grand-dam by Cal Rossie Improver. A good heifer for a foundation cow. Sells open.

Edel Lyn Orange Blossom 74th

EDELLYN ORANGE BLOSSOM 74TH is a full sister to Edel Lyn Orange Blossom 56th that sold in our 1945 sale for $1,250. Is out of the same cow as Edel Lyn Workman Mercury who is doing a superb job in Joel Hopkins herd in Illinois, and Edel Lyn Pro viso Mercury in the Fred Gageberg herd in Iowa. We have retained in our own herd Edel Lyn Orange Blossom 75th out of the same dam. This is imported breeding at its very best. She carries seven generations of Robt. Duncan breeding, one of Scotland’s all time great breeders.
