Silver Anniversary Sale
SCOTCH SHORTHORN CATTLE

Monday, June 5th, 1950
Thos. E. Wilson, Owner
We Invite you To Our Silver Anniversary Sale

Arriving at this milestone in the history of these annual auctions we are indeed proud of the accomplishments of the Shorthorn Cattle that have paraded thru our sale ring. Starting with our first annual auction in 1928, we have sold 887 head of cattle for an overall average of $844. This in itself is a record, but is nothing compared to the improving influence that these cattle have had on the herds of the country as reflected in every show and sale throughout the land.

No one interested in Shorthorns could but admire the string of cattle that we exhibited at the fairs last fall and winter. We were exceedingly proud of them for they were the products of a breeding program that is based on the theory that the concentration of the blood lines of Calrossie Mercury and Edellyn Royal Leader, the two greatest bulls of their time, will and does produce America’s greatest improving strain.

We are very proud of this sale offering and we sincerely hope that you will avail yourself of this opportunity to visit Edellyn. We would be very happy if you would plan on arriving on Sunday, the day prior to the sale, to not only have a good look at the sale cattle, but the breeding herd, the young calves and stock bulls as well. We do hope you will come and help us celebrate our Silver Anniversary Sale.

Thos. E. Wilson
A Royal Leader from our 1949 Sale Offering

Here's how he looked when the Rasmussens bought him...

EDELLYN ROYAL LEADER 100TH

As he appeared at the 1949 June Sale, where he was purchased for $1950 by P. A. Rasmussen & Sons of Goldfield, Iowa. We reserved the right to show him.

Here's how he looked after a sensational show season

EDELLYN ROYAL LEADER 100TH

One year later after winning the summer yearling class everywhere, which included Illinois, Indiana, Iowa, and Wisconsin State Fairs, American Royal National, International, Denver and finishing the season in a blaze of glory, winning the grand championship at Ft. Worth. He also was a member of Edelwyn's Royal Leader's undetected get-of-size, three bull and two bull groups. We appreciate the Rasmussens courtesy in allowing us the use of this wonderful bull to breed our Sale heifers. Be sure and see him soon.

SALTOUN SQUADRON LEADER—
Purchased at Perth, 1946, where he stood third in the younger March class. He represents no violent out-cros but a further infusion of the MacGillivray blood lines already well established in the herd. The calves by his first bulls are now old enough to show that they really are "going to do." His daughters are making outstanding cows and from all indications Saltoun Squadron Leader is going to get the job done. Be sure and see the calves by his son in the Edellyn barns on sale day.

HARVIESTOUN CARONIA

An imported heifer sired by a good breeding son of the famous Aldie Conqueror, used with such success by Duthie Webster at Collynsie and Torvos. Four of the five bulls that Mr. Kerr consigned to the 1950 Perth Sale were by Torvos Eae. This is a good Clipper family in the Harviestoun herd and one that will do well in this country.
