Edellyn Farms—
29th Annual Sale
Monday, June 7, 1954

Thomas E. Wilson, Owner
Edelyn Bonny Rothes 5th and Edelyn Bonny Rothes 8th, full sisters to Edelyn Royal Leader 114th. Three heifers from this famous family sell. This is the first year Edelyn has offered any females from the Bonny Rothes family.

THE EDELLYN KIND
When you own an Edellyn bull there are many things you just simply take for granted.

You know that over a third a century of breed leadership lies behind Edellyn productions.

You know that you are using bloodlines with a record for producing International grand champion steers over all breeds unequalled by any herd.

With the knowledge that the type established by Edellyn leads the way in American show rings, naturally there will be a feeling of confidence that your calves will find favor with good judges everywhere.

With the knowledge that the descendants of Edellyn sires invariably sell at the top in state and national sales, there will be an equal feeling of confidence that your calves will bring premium prices.

Because Edellyn bulls and females accomplish so much for their owners and the investment can be spread over so many descendants, the original price seems insignificant.

We invite you to join us on the occasion of our 29th annual Shorthorn sale. Here at Edellyn we believe that consistency is the measure by which seed stock must be judged. No one can make progress through the acquisition of individuals or bloodlines that produce only occasional good ones. A successful herd program cannot be developed overnight.

For 29 consecutive years, uninterrupted by changing economic conditions, Edellyn has held its annual Shorthorn sale. Approximately 1,100 head have been sold. Naturally we are proud of the contribution they have made to the live stock industry. However, our greatest satisfaction comes from the knowledge that each of you feels a co-ownership with us in the things that make Edellyn. The hundreds of cattlemen who attend this sale comprise the most discerning audience in the world. We appreciate the critical eye with which you judge our sale offering, our herd bulls and cow herd. We know this stems from a feeling that you have a real stake in what goes on here. Continue to judge our cattle by standards that are apart from any other, and we will do our utmost not to disappoint you.

We sincerely hope you will be with us. Please plan to arrive on Sunday, the day prior to our sale, for a leisurely inspection of the sale cattle and the breeding herd.

Thos. E. Wilson
General Sale Data

S ALE TO be held on Edelwyn Farms on Monday, June 7, 1954, at 12:30 P.M., Central Standard Time. Lunch will be served at the farm.

Edelwyn Farms are located in Lake Co., 2 miles west of Waukegan and North Chicago city limits and are bounded on the north by Route 120 (Belvidere Road), on the east by U.S. 41 (Skokie Highway) and on the west by Route 42A, on which will be found the entrances. Also 3 miles north of Route 176, and 40 miles north of Chicago Loop on U.S. 41.

Those coming by train from Chicago, take the Milwaukee train on the Skokie Valley route or Chicago, North Shore and Wilwaukee railroad at Adams & Wabash Street Station, every hour on the hour to North Chicago Junction. Time of trip 55 minutes. Conveyance will be provided to the farm.

All cattle sold under standard guarantee endorsed by American Shorthorn Breeders’ Assn. Certificate of registry and transfer will be furnished with each lot sold. Herd is Federally Accredited for T.B. under certificate No. 130053. Every animal has been blood tested for Bangs within 30 days of the sale. We have practiced calfhood vaccination for 20 years.

Those unable to be present may send buying orders to Hal Longley Mervin Aegerter or Don Longley of the Shorthorn World, Allan C. Atkinson, Clem Larson or Ted Aegerter of the American Shorthorn Breeders Ass’n, Clint Tomson of the firm of Harding & Harding, or to the auctioneers or fieldmen. Late bids may be sent to any of the above men in care of the telephone Majestic 31467, Waukegan.

We will not be responsible for accidents that may occur but we will do everything possible to provide for the comfort and safety of our guests.

Hotels Karcher and Waukegan in Waukegan and Congress in Chicago are headquarters. We will be happy to assist in making reservations.

Auctioneers—J. E. Halsey and C. Swaffar.

Farm Phone—Majestic 31467—Waukegan, Illinois.

Monday, June 7, 1954 Wilson, Illinois

THOS. E. WILSON, Owner

Harry Ackerman, Don Griffith, Bud Meyer, Charles Bright—Herdsmen

HAL LONGLEY, Sale Manager, 16 S. Locust St., Aurora, Illinois.
Your Day Starts In The Pastures

Visitors begin arriving on Sunday, often before, to start studying the sale cattle and the breeding herd. Dams of sale cattle are numbered with lot numbers corresponding to their offspring in the sale. Edellyn staff is on hand to answer all questions.

Then Into The Barns and Grassy Lots

Clyde Harlow of Indiana, Jim Ewell of Illinois, Jim Ball of The Country Gentleman, and Harold Woody of Indiana.

John McWilliam, Fontana, Wisconsin; Mrs. and Mr. S. G. Bennett and Grant Campbell of Ontario.

A DELIGHTFUL LUNCH ON THE LAWN

Right—James King of Kentucky and Mrs. and Mr. Paul W. Teegardin of Ohio. (Inset) Carl Greig of Washington.

Above—David Graham, Dr. O. W. House, Donald Beale and Vernon Benroth, all of Ohio.

Nathaniel Holmes of Virginia, Mrs. Cyril Mumford of Ontario, and Mrs. E. S. Rockefeller of Florida.

AND GET YOUR SALE SEAT EARLY

Left to right, Mr. and Mrs. J. E. Mulhera, N. Illinois; Harold Thiesman, Missouri; Mrs. Curson Gibson, Texas; Buck, Curson Gibson and Homer Clausen, Iowa.
THE NEW OWNERS...

A distinguished gathering! Here are the two bulls that shared the spotlight at the 1953 Edellyn Sale. Each sold for $15,000. At the left is Edellyn Prig Mercury with his new owner, R. E. Smith, Houston, Texas. At the right is Edellyn Royal Leader 149th with his new owners, Mr. and Mrs. H. D. McGowan, Maclyn Plantation, Albany, Georgia. In the background is Thos. E. Wilson, owner of Edellyn Farms.

Nearly 1,100 animals have been sold in the 28 annual Edellyn sales. There is hardly a state or province into which they have not gone. It would take a mathematical wizard to estimate how many hundreds of thousands of cattle have received the improving influence of these animals and their descendants. Because the influence of Edellyn cattle is so lasting, the cost of acquiring them can be distributed over scores of their descendants.
Family prolificacy and performance is the measure used at Edellyn to judge its females. Right to left, Calrossie Clipper Felt by Kirkton Baronet: her daughter, Edellyn Clipper 48th by Millhillis Champion; and Edellyn Clipper 55th and Edellyn Royal Leader 190th, both by Edellyn Royal Leader 114th and out of Edellyn Clipper 48th.

**ON THE COVER...**

Did you notice the five heifers pictured on the front cover of this catalog? Good, aren’t they? Two of them sell, the other three go back into the Edellyn Herd. From left to right they are: Edellyn Beauty 37th (Lot 33), Edellyn Clipper 55th, Edellyn Princess Royal 29th (Lot 17) Edellyn Clipper 58th and Millgate Secret 7th.

---

Edellyn Banker Mercury by Edellyn All-Star Mercury, Junior and reserve grand champion at the 1953 American Royal Show in Kansas City and junior champion at the 1954 National Shorthorn Show in Denver. He will sell as Lot 1 in this auction.

---

**Something to Think About...**

Four championships are awarded at each major show along with one first prize in the get of sire class. These are the awards that really count... the awards most coveted by all breeders. In the seven year period since shows have been resumed following World War II, a total of 80 such prizes have been awarded, at the American Royal Show and International Live Stock Exposition. A total of 40%—nearly half—of all these top awards at the two greatest livestock shows in America have been won by Edellyn bred animals or direct descendants of Edellyn bred animals.

**There’s nothing like them in the business**
Breeders single out and point with pride to Edellyn-bred animals and descendants in their herds. Entire great herds have been founded exclusively through Edellyn bloodlines. Remember...every day...everywhere...Edellyn bloodlines are producing the champions and top sellers. There's nothing like them in the business.

Edellyn females are examined for pregnancy by Dr. E. E. Woelffer, Oconomowoc, Wisconsin, a leading authority. Where breeding dates are printed in this catalog, the animals have been examined and are pregnant. All other breeding dates will be announced on sale day.
BREEDING LIST

EDELLYN FARMS SALE, JUNE 7, 1954

Lot 17—Edellyn Princess Royal 39th. Bred January 29 to Edellyn Banker Mercury (Lot 1). Examined and pregnant.

Lot 18—Edellyn Beauty 35th. Bred May 21 to Beaufort Bulldozer.

Lot 19—Edellyn Bonny Rothes 10th. Bred April 30 to Beaufort Bulldozer.

Lot 33—Edellyn Beauty 37th. Open.

Lot 34—Edellyn Augusta 50th. Open.

Lot 35—Edellyn Clipper 58th. Open.

Lot 36—Edellyn Rothes Rose. Open.

Lot 37—Edellyn Dorothy 31st. Open.

Lot 38—Edellyn Fairy Ring 11th. Open.

Lot 39—Edellyn Luxury. Bred January 2 to Edellyn All-Star Mercury. Examined and pregnant.

Lot 40—Edellyn Helen 2nd. Bred March 20 to Edellyn Royal Leader 149th. Examined and pregnant.
EDELLYN ROYAL LEADER 114TH

The Greatest Individual Ever
Produced at Edellyn...

Students of Shorthorn ancestry will recognize every animal in the pedigree of Edellyn Royal Leader 114th as an outstanding individual and great producer. Each of these animals was mated to produce offspring better than themselves. The result was the "114th." Edellyn Royal Leader 23rd was the greatest breeding son of Edellyn Royal Leader. Edellyn Bonny Rethes is out of Edellyn Royal Leader's dam. Two crosses of Carrossie Mercury are carefully blended into this pedigree.

Edellyn Royal Leader 114th was a great as a calf, an outstanding show winner as a yearling and two-year-old, and is even better as a mature bull. His many winnings include the grand championships of the National Shorthorn Show at Omaha, the American Royal, the Iowa, Indiana and Wisconsin State Fairs.

Those who would like further proof that the "114th" was no accident should look at his two full sisters (see picture on page 1.)

1954 is the year that the "114th" will really come into rightful recognition as a sire. It is true that his first calf at twelve months topped the 1952 sale and that one of his first daughters was the 1953 International grand champion female. However, this year we have many more of his calves, yearlings, and two-year-olds to prove our claim. Six sons and three daughters sell. Without a catalog we believe you could pick them so closely do they adhere to his great beef type.

...and Many Believe He's The Greatest Sire.

Four of these youngsters are by him—

Five young bulls that you will see in the Edellyn show herd this fall. The bull on the extreme left is Edellyn Choice Mercury by Edellyn All-Star Mercury. The others are all by Edellyn Royal Leader 114th. They are from left to right: Edellyn Royal Leader 177th, 178th, 180rd and 182nd. Unretouched photo.
Famous as a sire on two continents and respected wherever Shorthorns are known. His first five sons went to Perth this year and averaged $5,740. The oldest was thirteen months. His son, Beaufort Brisket, went to Parker Ranch in Australia at $10,800. His son, Beaufort Brave Baron went to Cabana Mitikili in Argentina at $10,200. We will display his first Edellyn calves on sale day. Ten females sold or with breeding privilege to him.

Beaufort Bulldozer:

Is considered the best bull ever bred at Beaufort. He was retained for herd use but purchased privately by Edellyn and Almahurst at a high figure. Shown only once as a young bull when taken off grass to win the supreme championship at the 1951 Keith show. An offer of 5,000 pounds made by the Cadzow Brothers prior to the 1953 Perth Sale was refused. The record of his first calves sold through the 1954 Perth Sale, and the calves at Edellyn and Almahurst provide positive proof that he is one of the breed’s all time great sires.

Cruggleton Pentland Firth:

His first crop of calves averaged 1,066 guineas at Perth. In the 1952 Perth Sale his calves averaged 1,700 guineas. Died accidentally at an early age.

Orange Talisman:

The breed’s greatest producing cow. Two sons are in service in Argentina, one in Australia, one in Scotland and one in America. Besides Beaufort Bulldozer, she is the dam of Beaufort Bolido, Perth reserve junior champion that sold for 4,000 guineas; the dam of Beaufort Blockbuster, the 1,750 guinea Beaufort Bremen, and Beaufort 1,350 guinea Beaufort Blockbuster, Orange Talisman, supreme champion, 1947 Royal English Show, sold to Ringwell Farms Orange Talisman, supreme champion, 1947 Royal English Show, sold to Ringwell Farms Orange Talisman, supreme champion, 1947 Royal English Show, sold to Ringwell Farms Orange Talisman, supreme champion, 1947 Royal English Show, sold to Ringwell Farms Orange Talisman, supreme champion, 1947 Royal English Show, sold to Ringwell Farms Orange Talisman, supreme champion, 1947 Royal English Show, sold to Ringwell Farms Orange Talisman, supreme champion, 1947 Royal English Show, sold to Ringwell Farms Orange Talisman, supreme champion, 1947 Royal English Show, sold to Ringwell Farms Orange Talisman, supreme champion, 1947 Royal English Show, sold to Ringwell Farms Orange Talisman, supreme champion, 1947 Royal English Show, sold to Ringwell Farms Orange Talisman, supreme champion, 1947 Royal English Show, sold to Ringwell Farms Orange Talisman, supreme champion, 1947 Royal English Show, sold to Ringwell Farms Orange Talisman, supreme champion, 1947 Royal English Show, sold to Ringwell Farms Orange Talisman, supreme champion, 1947 Royal English Show, sold to Ringwell Farms Orange Talisman, supreme champion, 1947 Royal English Show, sold to Ringwell Farms. Beaufort Orange Talisman is the dam of the 1953 International grand champion female. Beaufort Orange Talisman is the dam of the 1953 International grand champion female. For information on Cruggleton Perfect see Cruggleton Guthrie footnote.
Left—Cruigleton Perrit, the first son of Cruigleton Guthrie to be offered at public auction. This nine-month-old calf sold for the 1953 Perth second top price of 4,480 guineas (Approximately $13,200) to head the famous Beaufort herd.

Right—Lou Averne, the first daughter of Cruigleton Guthrie to be offered at public auction. Purchased as an open heifer by Edelwyn Farms for $5,000, top female price of the 1955 Mathez Sale.

It would never have been possible for us to acquire Cruigleton Guthrie had it not been for the death of A. J. Marshall. He was just starting his stock bull duties at Cruigleton when we purchased him at the top price of their dispersion. Two of his first calves are pictured and described above. The female champion at the Angus County Show in Scotland was by Guthrie. The reserve champion female at the Turriff Show, the biggest one day show in Scotland, was also by him. Cruigleton Guthrie is a full brother to the 4,000 guinea Cruigleton Godwin, stock bull at Cluny Castle. Pearl Golden Drop was the dam of Cruigleton Gift, sold to the Argentine for 2,140 guineas.

Certainly a consideration by A. J. Marshall and by us in selecting Cruigleton Guthrie as a stock bull was his concentration of Cruigleton Perfect blood, through two of Perfect's best breeding sons, Cruigleton Braemar and Cruigleton Adjustor.

Cruigleton Perfect was regarded as the most perfect specimen of the breed and Scotland's greatest sire. A list of his descendants that proved outstanding would fill a volume. The calves by Guthrie at Edelwyn and Almhurst are excellent and will be on display.
Edellyn All-Star Mercury is one of the most popular bulls ever produced at Edellyn. He is the son of Calrossie Mercury we selected to carry on and his calves prove we were right. In our 1926 sale he sired the $10,000 record price female, Edellyn Rosewood. In the 1933 sale he sired the $15,000 Edellyn Prig Mercury, and the two top selling Mercury was the grand champion of the 1948 Iowa State Fair and stood first at Illinois female at Fort Worth as a calf.

**His Calves Last Year Averaged $2625**

Some of the Best This Year Are By Him

Calrossie Good News

In 1952 we exhibited as a pen the first calves by Saltoun Royal Crest. In 1953 eight by him averaged $2,625. Some of the best ever produced at Edellyn are by him and are in the 1954 sale. He combines the potency of Calrossie Good News with the famed K. P. MacGillivray Rothes Queen family. It is the aim of the owners of Edellyn to infuse into the herd in some form, the blood of the sires that are making history, no matter where they are located. Note in the pedigree of Saltoun Royal Crest the perfect blend of the blood of Calrossie Good News, Kirkton Baronet and Chapleton Royalist, three of the most famous sires in Shorthorn history.

IT'S A PATTERN

A consistent pattern -- that quality stamped on every Edel lyn production

The grand champions of the 1951 American Royal, Edel lyn Royal Leader 114th and Edel lyn Princess Royal 27th. Both are out of Edel lyn-bred females and both are sired by Edel lyn Royal Leader 23rd.
All of these open heifers sold in the 1954 Edellyn sale. Left to right: Edellyn Secret 11th (Lot 24); Edellyn Beauty 37th (Lot 33); Edellyn Dorothy 32nd (Lot 23); Edellyn Bonny Rothes 11th (Lot 25); and Edellyn Augusta 50th (Lot 34).

**Consistency...**

**The Most Important Consideration In Selecting Cattle To Improve Your Herd**

If someone told you that the heifers pictured above were all by one bull, you would probably say, "Now there's a bull that really has the ability to sire uniformly top calves."

It is an interesting fact, however, that these heifers are sired by three different Edellyn-bred bulls.

Why do three different Edellyn bulls sire individuals so much alike? Study the pedigrees in this book and you will have the answer. Notice how the blood of such great Edellyn individuals as Edellyn Dorothy 21st, Edellyn Flossey Shane 4th, Coldoch Bonny Rothes, Calrossie Mercury, Edellyn Royal Leader, to mention just a few, appear over and over, in different blends.

Thus, all Edellyn cattle have a true pattern... the kind of background that gives you the greatest assurance of producing what every breeder wants... a calf crop consistent in type and quality.

With each Edellyn cross you look into your herd the Edellyn pattern.

In my opinion, the 1954 Edellyn offering is the best yet provided from this most famous of all North American Shorthorn breeding establishments.

**HAL LONGLEY**

of The Shorthorn World.
Edellyn Banker Mercury

Junior and reserve grand champion bull at the 1953 American Royal Show and junior champion at the 1954 National Shorthorn Show in Denver. He speaks for himself and for the improving influence of the Mercurys. His sire, Edellyn All-Star Mercury, represents a combination of the blood of Calrossie Mercury and Edellyn Royal Leader. His dam is an excellent imported cow sired by Millhills Arthur. His half brother, Edellyn Prig Mercury, sold to R. E. Smith of Texas at $15,000, top figure of our 1953 sale. See him on sale day and be sure also to see his full sister, Lot 36 in this sale. We have great faith in Edellyn Banker Mercury and have used him liberally before listing him in this sale.

Edellyn Security

We consider him one of the best that has been produced in the forty-year history of the Edellyn herd. He is a grandson of the noted Calrossie Good News by Kirkton Baronet. The last calf out of his dam was a heifer that sold to Hawthorne Farms in Virginia at $2,500. This bull is exceptionally smooth and blocky, with lots of bone and legs, well out at the corners. We believe Edellyn Security can top the summer yearling class and, with the consent of the buyer, we would like to retain him for exhibit at the 1954 shows.

Edellyn Polar Mercury

First prize junior bull calf at the Illinois State Fair and reserve champion at the Wisconsin State Fair in 1952. Here is a bull with a wonderful head, lots of substance and great weight for age. His imported dam is one of the top cows in the Edellyn herd. One of her heifers went to Carl Stander in Ohio at $1,000 and another daughter sold at $2,000 to Massey-Harris Farms in Ontario where she is considered one of the best. Harry Ackerman says that her 1954 calf by Beaufort Bulldozer is the best ever born at Edellyn. White bulls were in great demand and brought top prices at the 1954 Perth sale in Scotland. This bull is ideally suited to the needs of American breeders.

Edellyn Royal Leader 171st

We consider him one of the best individuals yet sired by the many times grand champion, Edellyn Royal Leader 114th. His dam, line-bred in the blood of Carrossie Mercury, also produced Edellyn Royal Leader 144th, the outstanding bull that sold at $7,500 to Acadia Farm in the 1953 Edellyn sale. A heifer out of the same dam went to Almahurst Farms at $1,550. This bull was not exhibited as a call but can do a lot of winning in the junior yearling class this year.

Edellyn Royal Leader 168th

Second prize senior bull calf at the Illinois State Fair and American Royal Show in 1953. He is out of the great imported cow Ruby Rosebud whose calves have all made fame. She is the dam of Edellyn Perfect Reward that is making a great record in the Kenneth Kettlesen herd in Wisconsin. She is also the dam of Edellyn Gaelic Mercury, herd bull for the late Almo K. Reynolds in Washington, and Edellyn Royal Leader 168th that sold to R. E. Smith of Texas at $3,000 in our 1953 sale. Here is a low set bull with deep rumps, full quarters and an excellent set of legs. He looks like a stock bull and is bred to be one.
Edellyn Royal Leader 178th

Any bull that displays such a perfect head is certain to make a great stock bull. His imported dam, a daughter of Kirkton Baronet, has done more for Edellyn than most any other cow. We retained a daughter, Edellyn Clipper 48th, and she is perhaps our best cow today. She in turn produced Edellyn Royal Leader 151st that sold for $4,900 to Carson Gibson; Edellyn Clipper 55th, our winning senior yearling heifer in 1953, and Edellyn Royal Leader 177th, that we are retaining as a junior stock bull. Calrossie Clipper Pet is also the dam of Edellyn Royal Leader 183rd, stock bull at Susanna Farms, and Edellyn Clipper 53rd, a top female in the Massey-Harris herd.

His Dam's Performance Is Second to None

EDELLYN ROYAL LEADER 172D 2746-784

This promising red son of the many times champion Edellyn Royal Leader 114th stood third in class at the National Shorthorn Show in Denver, the first and only time shown. His dam is a perfect individual, the kind any breeder would be proud to acquire as the dam of his herd bull. Sired by one of the best grandsons of Edellyn Royal Leader and out of a dam by one of the best sons of Calrossie Mercury. There is every reason to expect success through the use of this bull.

A very level lined bull with deep quarters and lots of bone. He is a grandson of Calrossie Good News and from the Myrtle family that has produced many famous show animals for Edellyn Farms.

Edellyn Captain Mercury

When you see him you will agree that he is very stylish, smooth, well filled over the heart and finishes out well at the tail. His dam is one of the good females we have acquired from Millgate Farms. Her last year's heifer, Edellyn Fairy Queen, sold at $8,000 to Maclyn Plantation, Albany, Georgia.

THE FIRST INDICATION OF THE ROYAL LEADER—BEAUFORT BULLDOZER CROSS

Pictured is Ringwell Orange Talisman, 1953 International grand champion female and reserve champion female 1952 International. In 1951 Ringwell Farms arranged to breed their famous cow Beaufort Orange Talisman to Edellyn Royal Leader 114th. This great champion was the result. Since Beaufort Orange Talisman was out of the same cow as Beaufort Bulldozer, this provides the first indication of what the Royal Leader-Bulldozer cross will be.

RINGWELL ORANGE TALISMAN 2706905

Ringwell Orange Talisman

Soon after Beaufort Bulldozer's arrival, we bred Ringwell's famous cow, Beaufort Orange Talisman to Beaufort Bulldozer. This great calf will be on display at Edellyn sale day, along with the other outstanding calves by Beaufort Bulldozer and Cruggleton Guthrie. A contest to name this calf is being sponsored by Ringwell. The announcement of the winner will be made at the opening of the Edellyn sale.
Edellyn Royal Leader 170th

A very low set, thick, short legged red son of the many times grand champion Edellyn Royal Leader 114th. His dam produced the $15,000 Edellyn Prig Mercury that sold in 1953 to R. E. Smith of Texas. She also produced Edellyn Myrtle 26th that sold to John Alexander & Sons, Aurora, Illinois, at $2,800 in our 1952 sale.

Edellyn Royal Leader 173d

A very blocky, short legged bull backed by the blood of Edellyn Royal Leader 114th and Calrossie Mercury. His dam produced the good heifer Edellyn Maud 15th that sold in our 1953 sale to Avenel Farms in Maryland at $2,500.

Edellyn Dare Devil

Sired by a grandson of Calrossie Good News and out of the beautiful cow Edellyn Dorothy 21st, junior and reserve grand champion at the 1946 International. All of the daughters of this cow have been retained. She was also the dam of the champion Edellyn Squadron Leader that we used successfully and that is now owned by John Shuman, Deer Trail, Colorado.

Edellyn Bonnie Rœthes 9th

One of the best members of Edellyn’s strongest family. She is very wide, thick and short legged. Her dam is by the many times champion Edellyn Royal Leader 66th and her granddam was the famous imported cow that produced Edellyn Royal Leader. She has been served to Edellyn Polar Mercury, Lot 3 in this sale, and we believe she will make someone famous.

A heifer of real showyard form, short legged, breedly looking and beautifully fleshed. A heifer out of the same dam sold at $4,000 to R. E. Smith of Texas in our 1953 sale and two other daughters of this cow still remain in the Edellyn herd. Here is a family that has produced many of the blue ribbon and top selling animals and we believe this is one of the best of the family. She will sell open.
Edellyn Secret 11th

This red daughter of Edellyn Royal Leader 114th is rather young but she will be one of the best by sale time. Because she is so short legged and displays such wonderful breed character we think she will be one of the picks of the sale. Her imported dam has been one of the great cows in the Edellyn herd. She was the dam of the many times champion Edellyn Royal Leader 66th that sold at $6,000 to Michigan State College and also the dam of Edellyn Royal Leader 118th that is making a good record for Hubert Blassingame in Oklahoma. Two other daughters of Bantaskin Secret 13th still remain in the Edellyn herd.

From the Dam of Edellyn Royal Leader 66th

Edellyn Bonnie Rethes 11th

When the history of great producing Shorthorn cows is written, one of the first chapters will outline the record of Coldoch Bonnie Rethes. This is the first year that we have offered any female members of the Bonnie Rethes family. There are a total of seventeen female members still remaining in the herd. From this family came such famous animals as Edellyn Royal Leader, Edellyn Bonnie Leader, Edellyn Classic Mercury, and the undefeated blue ribbon winner, Edellyn Bonnie Rethes 5th. Edellyn Bonnie Rethes 11th is a worthy representative of this great family. She sells open.

Edellyn Rosella—This very sweet heifer is out of an excellent daughter of Edellyn Modern Mercury. When you come to the sale we want you to be sure to have a look at Emhur at an October, 1953, bull calved by Edellyn Royal Leader 114th and out of Elmhurst at an October, 1953, bull calved by Edellyn Rosella. He is so outstanding that he will cause you to want to own his bull sister, Edellyn Rosella. She is in calf since Feb. 18 to Beaufort Bulldozer and her calf might easily be a champion.
RB Craibstone Beauty S

A very good heifer sired by Naemoor Monitor, an imported bull that is doing a fine job in the Rasmussen herd in Iowa. His sire, Cruggleton Prince Bob, was the sire of many famous bulls in Scotland including Naemoor Marchal that sold at Perth for 4750 gns, to K. P. MacGillivray and Naemoor Nobleman, a Perth first prize winner that sold for 2800 gns, to an Argentine buyer. This heifer was bred Feb. 20 to Edelllyn Royal Leader 149th, that sold at the top figure of $15,000 in the 1952 Edelllyn sale to Maclyn Plantation, Albany, Georgia.

Edellyn Augusta 50th

If you like them level, smooth, sweet headed and full of quality, you are certain to like this daughter of Edellyn Classic Mercury. Her dam produced Edellyn Yankee Mercury that sold to Hi Ho Farm at the top price of the 1951 Edellyn sale and she also produced Morellibar Umpire that sired the junior and reserve grand champion bull at the 1953 International for W. E. Carter & Son. Sells open.

Edellyn Clipper 56th

A real show prospect for the 1954 summer yearling class. She is a daughter of Edellyn All-Star Mercury. Her dam, a daughter of Edellyn Royal Leader, was exhibited with success and produced Edellyn Clipper 56th, the winning senior heifer calf in our 1951 show herd that sold to Lynnwood Farms for $4,100, where she is a great brood cow.

Her sire, Edellyn All-Star Mercury, many times a champion, was the sire of the $10,000 Edellyn Rosewood 65th that sold in 1952 to Alimhurst Farms in Kentucky. He was also the sire of Edellyn Prig Mercury that sold at $15,000 in 1953 to R. E. Smith of Texas, and many other high selling animals. This heifer sells open.

Edellyn Luxury

A rich dark red daughter of Edellyn Squadron Leader. She is the first calf out of a heifer we purchased from Mothers Bros. and her granddam is one of their good imported cows. She is in calf since Jan. 2 to Edellyn All-Star Mercury, sire of some of the highest selling animals ever produced at Edellyn Farms.

Millbrook Helen 10th 2202302
Roan, Roy T. Johnson

Edellyn Helen 2nd—She is a daughter of Edellyn All-Star Mercury whose calves have been good winners and top sellers for Edellyn Farms! A heifer out of the same dam was purchased by Massey-Harris Farms in Canada at $1100. Edellyn Helen 2nd has been mated to Edellyn Banker Mercury, Lot 1 in this sale.
A composite picture of some of the top selling animals in the 1953 Edellyn sale. Front row, left to right: Edellyn Royal Leader 14th, sold to Maclyn Plantation, Albany, Georgia; Edellyn Clipper 54th, sold to Lynnwood Farms, Carmel, Indiana; Edellyn Frig Mercury, sold to R. E. Smith, Houston, Texas. Back row, left to right: Edellyn Princess Royal 37th, sold to R. E. Smith; Edellyn Royal Leader 150th, sold to R. E. Smith; Edellyn Orange Blossom 87th, sold to R. E. Smith; Edellyn Beauty 32d, sold to R. E. Smith; and Edellyn Orange Blossom 89th, sold to Maclyn Plantation.

Purebred breeders must never forget that they are primarily in the business of producing beef animals of better quality and greater efficiency. The steers pictured were the grand champion carload of Shorthorn fat steers at the 1949 International, bred, fed, and exhibited by Edellyn's Iowa farm. Since this herd numbers about fifty there was no opportunity to select. We simply had to take all the steers of the proper age from this calf crop to make this load. When it is considered that nearly all carlot exhibitors come from professional feeders who first select perhaps two hundred steers from a pick of thousands on the western range and then make a further selection of fifteen for their carload, this winning was most significant. Remember, too, that Edellyn-bred bulls or their descendants have produced four International grand champion steers over all breeds...a record unequalled by any herd of any breed.
