Edellyn Farms—

32nd Annual Sale

Monday, June 3, 1957

Thomas E. Wilson, Owner
The front cover picture

Study this picture carefully. It is unusual because it shows an international grand champion female with her first two calves, both born before she was three years old. This is the 1954 champion Edelwyn Clarabelle 3rd. Her yearling son, by Edelwyn Choice Mercury, was born in March, 1956. Her latest bull calf, by Edelwyn Banker Mercury, was born in March, 1957. You'll see both calves at the shows.

Right—Edelwyn Bonny Rothes 8th by Edelwyn Royal Leader 8th and her daughter Edelwyn Bonny Rothes 14th by Cruggleton Guthrie. The former was one of the greatest show animals of her day and a full sister to such famous show animals as Edelwyn Royal Leader 14th and Edelwyn Bonny Rothes 5th. The latter sells in this sale as Lot 33.

Edelwyn Bloodlines

The greatest guarantee of future quality...

SALE TO BE HELD AT
EDELLYN FARMS
Wilson, Illinois
MONDAY, JUNE 3, 1957
Starting at 12:30 P.M.
Central Standard Time

Thomas E. Wilson,
Owner

Fred McWilliam,
Manager

EDELLYN FARMS
WILSON, ILLINOIS
A careful study of the pedigrees in this catalog is vital to any person who has the desire to breed better Shorthorns. The female families that produced these cattle are noted for their prolificacy and dependability. The bulls that sired these cattle are famous wherever Shorthorns are known. Those who buy the superior individuals that make up this sale offering may feel certain that greater recognition will come their way... for these are the kind of cattle that will lift any breeder out of the ranks of the ordinary.

Six beautiful daughters of Beaufort Bulldozer are shown in this picture with Bulbithan Emperor, another great Edellyn herd sire. All of these heifers will sell in this sale.

Our 32nd Annual Sale

We extend a cordial invitation to all Shorthorn lovers to join us at Edellyn Farms on the occasion of our 32nd Annual Sale. Again we intend to divide with you the best of our yearly productions.

We rejoice with breeders everywhere in the continuous improvement of our breed as evidenced by the strong shows of recent years and the winnings of Shorthorns in interbreed competition. Thousands of people have witnessed these victories and have concluded that Shorthorns can do anything that any other breed can do and DO IT BETTER.

We are proud that Edellyn bred bulls and females have played such an important part in this improvement. It is a matter of great satisfaction to us to note that wherever you travel you will find Edellyn blood making a definite contribution to better type, better quality and more liberal incomes.

We hope you will honor us with your attendance at the sale on June 3rd and that you may feel inclined to follow the lead of many hundreds of other Shorthorn breeders who have found success through the use of Edellyn blood. We urge you to try to arrive on the day prior to the sale so that an inspection of the herd will be possible and so that we may have a better opportunity to become acquainted with you.

Thos. C. Wilson
General Sale Data

SALE TO be held on Edellyn Farms on Monday, June 3, 1957, at 12:30 P.M., Central Standard Time. Lunch will be served at the farm.

Edellyn Farms are located in Lake Co., 2 miles west of Waukegan and North Chicago city limits and are bounded on the north by Routes 120 (Belvidere Road), on the east by U.S. 41 (Skokie Highway) and on the west by Route 42A, on which will be found the entrances. Also 3 miles north of Route 176, and 40 miles north of Chicago Loop on U.S. 41.

Those coming by train from Chicago, take the Milwaukee train on the Skokie Valley route, or the Chicago, North Shore and Milwaukee Electric at Adams & Wabash Street Station, every hour on the hour to North Chicago Junction. Time of trip 55 minutes. Conveyance will be provided to the farm.

All cattle sold under standard guarantee endorsed by American Shorthorn Breeders’ Assn. Certificate of registry and transfer will be furnished with each lot sold. Herd is Federally Accredited for T.B. under certificate No. 130053. Every animal has been blood tested for Bangs within 30 days of the sale. We have practiced calthcoid vaccination for 20 years.

Those unable to be present may send buying orders to Hal Longley, Mervin Aegerter or Don Longley of the Shorthorn World, Allan C. Atson, Clem Larson or Ted Aegerter of the American Shorthorn Breeders Ass’n., Clint Tomson of the firm of Harding & Harding, or to the auctioneers or fieldmen. Late bids may be sent to any of the above men in care of the telephone Majestic 31467, Waukegan.

We will not be responsible for accidents that may occur but we will do everything possible to provide for the comfort and safety of our guests.

Hotels Karcher and Waukegan in Waukegan and the Congress Hotel in Chicago are headquarters. There are several fine motels close to Edellyn Farms if you prefer such accommodations. We will be happy to assist in making reservations.

Auctioneers—C. D. Swaffeur and H. P. Miller.

Farm Phone—Majestic 31467—Waukegan, Illinois.

—Herdsmen—

HAL LONGLEY, Sale Manager, 16 S. Locust St., Aurora, Illinois.
Groups like this may be found in every pasture at Edellyn. At the left is Edellyn Clarabelle 3rd, the daughter of Beaufort Bulldozer that won the junior and grand championship of the 1954 International. Her red bull calf is by the many times grand champion Edellyn Banter Mercury. In the center is Edellyn Clipper 5th. Both she and her sire, Edellyn Royal Leader 114th, were famous champions. She is the dam of Lot 16 in this sale and her present calf, the red heifer beside her, is by Beaufort Bulldozer. The cow on the right is Anoka Augusta 102nd by the international grand champion Scaldale Bombardier and her red bull calf is by Edellyn Broadarrow, the bull that sells as Lot 1 in this sale. She is also the dam of Lot 17 in this sale and the granddam of Greenwood Bulldozer, Dave Graham’s great junior herd bull.

Leadership...

Webster defines the word leadership as “one who occupies, or is fitted to occupy, the first or chief place.” Not one of us in the Shorthorn fraternity will deny that the place belongs to Edellyn. All of us join willingly in acknowledging our debt of gratitude to Thos. E. Wilson, the man who has made possible such an unflagging source of seed stock supply.

Once each year for a third of a century we have all been invited to Edellyn to study this great Shorthorn herd and to appraise the year’s productions. Because of the inward feeling of pride we all hold toward this herd, we have viewed the Edellyn operation through critical eyes, ready to find fault if there was the slightest reason. Always we have left with the feeling that progress at Edellyn is constant.

“Where can I buy with the greatest measure of safety?” It is the question one hears most frequently. There are many such places but chief among them is Edellyn because in this great herd the ability to perform properly is BREED INTO EACH ANIMAL. It is through years of skillful matchings that the outstanding cattle described in this catalog have been produced. In my opinion the 1957 sale offering is better than any that has preceded it.

HAL LONLEY
of the Shorthorn World
Buy Edellyn bloodlines... Insure future quality

Left—Edellyn Lincoln Mercury, the son of Edellyn Banker Mercury that was purchased by Rasmussen Bros., Goldenfield, Iowa, at $3,500, top price of the 1956 Edellyn Sale. The Rasmussens have used five Edellyn bulls in their great herd.

Right—Edellyn Pigg Mercury, the son of Edellyn All-Star Mercury that was purchased by R. E. Smith, Houston, Texas, at $15,000 in the 1953 Edellyn Sale. This bull won first prize at both the International and American Royal as a senior bull calf.

What sort of people own Edellyn Bulls? Over four hundred of them have been sold through the thirty-two annual Edellyn auctions. The records of these bulls would fill a Shorthorn history, a history that could serve as the breed's best guide to the most dependable sources of supply for approved seed stock. Not all of them have gone to big breeders who have learned from experience that Edellyn bulls keep them at the top. Over half of them have gone to small breeders who are on their way to the top and to ranchers and farmers who know that Edellyn bulls will pay for themselves through premium prices when the calves go to market. Always they are bought by cattlemen who know the score... men who are alert to the value of inheritance and who refuse to be satisfied with the ordinary.

As the years roll on, even greater security goes along with each Edellyn bull. The lines of blood that brought about such consistent breed improvement ten, fifteen, and twenty years ago are still there... but new blood has been added to make today's Edellyn bulls better in quality, surer in performance. There is no substitute for experience in the breeding of improved live stock. The fifteen bulls to be offered in the 1957 Edellyn Sale, featuring blends of the blood of Beaumot Bulldozer, Balbithan Emperor, Calrossia Mercury and Edellyn Royal Leader, provide greater assurance than ever before of top quality in the herds of those far-sighted breeders who will use them.

This picture has appeared before but we are repeating it because it provides such a perfect example of Edellyn prolificacy and performance. At the extreme right is Calrossia Clipper Pet by Kirkton Baronet. Next to her is her daughter Edellyn Clipper 58th by Mihills Champion. Then comes Edellyn Clipper 85th, the dam of Lot 10 in this sale. At the extreme left is Edellyn Royal Leader 190th, purchased by Carl D. McKenzie, Armitage, Illinois, in the 1955 Edellyn Sale. The last two named are both out of Edellyn Clipper 48th.
Seven sons sold at auction in Scotland have averaged $7,900.  His first son calved in North America was the 1954 International grand champion bull and supreme champion of the show.

His first daughter calved in North America was the 1954 International grand champion female. Two of his daughters won the grand and reserve grand championships at the 1956 Denver Show and three of his sons stood first, second and third in strong classes.

His first calves born in America were offered in the 1956 Edellyn Sale where fourteen sons and daughters averaged $1,406. Fourteen more, better than ever in quality, will be offered in the 1957 Edellyn Sale. Be there. Own your share of the breed’s most improving blood!

BEAUFORT BULLDOZER—One of the greatest living sires of the Shorthorn breed. He was purchased for $10,000 from the famous Beaufort herd, where he was used for one season before being shipped to the Edellyn and Almahurst herds. His sons head leading herds in Argentina, South Africa, Australia, and Scotland. Among his most famous sons are Beaufort Brack, sold to Australia for $10,000; Beaufort Brave Baron, sold to the Argentine for $20,000; Beaufort Commodore, withdrawn at $1,770 from the Perth sale for use at Beaufort; Beaufort Chaviller sold to the Aldie herd for $8700. His seven sons sold at auction in Scotland have averaged $7000. At the Royal Highland, Scotland’s leading Shorthorn show, a son won the junior championship, while a son and a daughter won the British cup for the best pair.

His first son born in America, Ringwell Lodestar, as a junior bull calf, won the grand and supreme championship of the 1954 International. His first daughter born in America Edellyn Citara Belle 3d, as a junior calf, won the grand championship of the 1954 International. These were the only two calves old enough to show.

Turn the page and read more about the most famous sire of the breed!

Study the pictures on the two following pages.
Edellyn was the first to own a bull capable of siring BOTH International grand champions—BEAUFORT BULLDOZER sire of the 1954 International grand champion bull and female

In 1956 the sons, daughters, grandsons, and granddaughters of Beaufort Bulldozer continued to add lustre to his reputation. Fourteen sons and daughters averaged $1,406 in the Edellyn Sale. Edellyn Dorothy 34th was sold privately to Mr. and Mrs. Coleman for $3,500. Another daughter sold to Lynnwood Farms for $5,500 by public auction, this being the top price for a female in North America in 1956. At the Royal Highland Show in Scotland (the leading Shorthorn show of the year), his son Beaufort Commodore was senior and grand champion bull, while his grandson Beaufort Captive was junior champion. Another son was champion and top selling bull at the Kentucky Futurity Show, another grandson was the Chicago International Congress champion bull. At the Brisbane Royal Show in Australia a granddaughter was champion polled female. In 1957 at the great Perth show in Scotland two grandsons were shown, winning first third prizes in class and sold for $3,300 and $7,000. The females fathered by him at Edellyn and Almehurst are wonderful cows and breeding very well.

Nowhere can you find better individuals or greater assurance of dependability than at Edellyn . . . .

Here are five "Bulldozers"

A recent picture of Ringwell Lodestar by Beaufort Bulldozer. He was junior and grand champion bull at the 1954 International. Bred and exhibited by Ringwell Farms.

Baldwin Augusta Rose (339571)
Red, G. G. Rutherford

Balbithan Emperor was purchased at the 1955 Perth Sale. He was selected not only for his great individuality and character, but because his background contains a close tie-in with the breeding of Beaufort Bulldozer. Balbithan Bon-Accord was a grandson of Cruigleton Bonn, full brother to Cruigleton Permifland Firth, sire of Beaufort Highland show. His dam, Millhills Golden Bud 4th was the reserve champion female of the 1953 Royal at Perth in 1949. She was the first cow purchased by Mr. Stott, for what is now recognized as one of Scotland’s most select bulls. In 1951 he exhibited her bull calf to the 1951 prime 4,000 gns. going to the Argentine. Balbithan Emperor has developed wonderfully since coming to Edellyn and we are glad of it. We sold him in the 1954 sale at $3,150 to Raymond Stewart, Dover, Kentucky. Later that year he won grand championships at the Illinois and Iowa State Fairs and at the American Royal. Because his sire has made such and excellent record at Edellyn and because his imported dam is one of the best cows of the breed, we jumped at the chance to get him back when Raymond Stewart offered to sell him. He is a half brother to such famous animals as Edellyn Prig Mercury that sold at $15,000 to R. E. Smith of Texas, Edellyn Choice Mercury that sold at $7,000, top price of the 1955 Edellyn sale, to R. Y. Secord & Son of Alberta, Edellyn Rosewood 65th, the $10,000 heifer that sold to Almahurst farm of Kentucky and many others. We have great confidence in Edellyn Banker Mercury and we have many calves to justify our confidence. It has been our great effort during the past few years to hold back in our herd as many Mercury females as possible in order to retain the great quality and fleshing ability of this line. Because of this fact, we feel we are really sacrificing to include four beautiful daughters of Edellyn Banker Mercury in this sale.

Edellyn Banker Mercury—He is now back in service at Edellyn and we are glad of it. We sold him in the 1954 sale at $3,150 to Raymond Stewart, Dover, Kentucky. Later that year he won grand championships at the Illinois and Iowa State Fairs and at the American Royal. Because his sire has made such an excellent record at Edellyn and because his imported dam is one of the best cows of the breed, we jumped at the chance to get him back when Raymond Stewart offered to sell him. He is a half brother to such famous animals as Edellyn Prig Mercury that sold at $15,000 to R. E. Smith of Texas, Edellyn Choice Mercury that sold at $7,000, top price of the 1955 Edellyn sale, to R. Y. Secord & Son of Alberta, Edellyn Rosewood 65th, the $10,000 heifer that sold to Almahurst farm of Kentucky and many others. We have great confidence in Edellyn Banker Mercury and we have many calves to justify our confidence. It has been our great effort during the past few years to hold back in our herd as many Mercury females as possible in order to retain the great quality and fleshing ability of this line. Because of this fact, we feel we are really sacrificing to include four beautiful daughters of Edellyn Banker Mercury in this sale.
Here he is! The newest Edellyn herd bull.

Louada Grand Duke—We liked the style, character and type of this bull the minute we saw him at Edellyn. In the opinion of many experts, Millhills Secret 10th is the best cow and was purchased by Louada at $3,600, top price of the Birmingham Farms’ sale. All the earmarks of a sire when we bought him and every calf seems to be one. We are sure you will agree that our judgement was right.
and here are six more Edellyn improvers that have influenced the quality of this sale offering

Left—Edellyn All-Star Mercury has sired many of the best calves ever produced at Edellyn, all exceptional in scale, substance, bone and good heads. He was grand champion, 1943 Iowa State Fair; first at Illinois, Indiana and American Royal. By Californian Mercury. Twenty-three of his sons and daughters have sold for an average of $8,666. This group included many first prize and championship winners.

Right—Edellyn Choice Mercury. At the 1934 shows he was first at Iowa fair and reserve junior champion, American Royal, and third in class of 24 at the International Sire, Edellyn All-Star Mercury. He was purchased in the 1955 Edellyn sale by E. Y. Scurry & Son, Winterburn, Alberta, at $7,000, top price of the sale. Edellyn Choice Mercury sired eight calves at Edellyn out of which came the third prize junior grandsire at the 1958 International. Two of his sons and four daughters sold in this sale.

Edellyn Royal Leader 149th. This is the bull that we elected to use in order to carry the Edellyn Royal Leader line. The "149th" is on line. He was the grand champion bull at the champion bull at the 1952 Wisconsin State Fair and his sire, Edellyn Royal Leader 2nd, Edellyn Royal Leader, was easily the greatest son of Edellyn Royal Leader. Five calves by him will sell in this sale.

Right—Glastullich Crusader was purchased at the 1957 Perth Sale for service in the herds at Fantasia Farms and Edellyn Farms. He is by Californian Hyperscopic sire of the 1956 Perth Supreme Champion, he by the noted Californian Wallcone. His dam, a daughter of Kirkton Baronet, is a uterine sister to Glastullich Fortescu, sire of a Perth champion.

Left—Crugleton Guthrie is now dead and his sons and daughters are being carefully guarded. Sired by a grandson of Crugleton Perfect, he was licensed in the blood of one of Scotland's all-time great sires. His calves have made a great record in Scotland, Argentina and the United States. His first son sold at auction brought $13,200 at Perth. Three calves by him sell in this sale and these will be the last to be offered.

Left—Edellyn Brave Knight, the son of Beaufort Buckdozer that we have picked for service at Edellyn. His dam, Bankson Secret 12th by Bethaycock Grand National, is one of the great cows of the breed.
Edellyn Broadarrow

This bull has been used extensively in the Edellyn herd. He won first prize as a senior calf at the 1955 Wisconsin State Fair and second prize at the 1956 Denver show. He returned to the Wisconsin State Fair in 1956 to win senior championship as a senior yearling. His dam, one of our best cows, is also the dam of Lot 5. Her only daughter has been retained.

Edellyn Bell Ringer

From a great line of cows, this pedigree could hardly be bettered. His dam, a daughter of Millhills Champion and a tremendous breeder, is the dam of the following: Edellyn Royal Leader 151st, sold to Carson Gibson for $4,900; Edellyn Clipper 55th, winner of many prizes and now one of our best cows, dam of Edellyn Clipper 61st, Lot 16; Edellyn Royal Leader 177th, sold for $1,100; Edellyn Royal Leader 190th, sold for $1,850. This is her fifth calf. Be sure to see her 1957 calf by Edellyn Broadarrow, Lot 1, on sale day.

Don't overlook the wonderful production record of his dam

Edellyn Beau Ideal

Another very good son of Beaufort Bulldozer out of an exceptionally thick cow sired by OAC Rosamond’s Lad, one of Canada’s greatest sires. He sired both grand champions at the 1950 Canadian National Exhibition. This is a grand headed bull with a great covering of flesh. His dam is also the mother of the show heifer Edellyn Orange Blossom 91st, whose son by Edellyn Broadarrow is really outstanding.

Edellyn Beau Geste

This very thick, heavy boned son of Beaufort Bulldozer has tremendous hindquarters. His dam, one of our most valuable cows, is also the dam of Edellyn Maude 15th that sold to Avenel Farms for $2,300. This bull represents a cross of two of the really great sires of the past decade, Beaufort Bulldozer and Calrossie Mercury.

Edellyn Brigand

A wonderful headed bull with great bone and scale. He has been used in the herd. His dam, a very good imported cow by the famous Calrossie Fearless, has bred consistently well. She is also the dam of Edellyn Buttercup 7th, sold to R. E. Smith for $1,200, and Edellyn Buttercup 8th, sold to Mr. Nehring for $750.
Edellyn Waterloo Mercury

A very good son of the great breeding bull Edellyn Choice Mercury. This bull stood fifth at the 1956 International in a very strong class of junior calves, the only time shown, and has developed wonderfully since. His dam was also the dam of Edellyn Louis Waterloo, sold in our 1956 sale to True Buckmaster for $375. His granddam, Naeemoor Waterloo Blush, is one of the greatest cows in the Louisa Manor herd or in North America.

Daughters of Beaufort Bulldozer, Crugleton Guthrie and Edellyn Choice Mercury at Edellyn.

Too young to sell to good advantage but looks like a show calf

Edellyn Czar

Another son of Balbithan Emperor. This calf is very young but with his great head and thickness can make a summer yearling hard to beat. His dam, a daughter of Edellyn Modern Mercury, cost $2,500 and is a lovely animal. She is also the dam of the show bull Edellyn Royal Leader 1986 that sold for $3,000 to Herman Alber, Dixon, Ill.
Edellyn Max Emperor

A heifer's first calf from our prolific Broadbooks family, he has a stock bull's head and bone. Like all the Baldihan Emperor calves, he is easily led and has great fleshing qualities. The three top sires in his pedigree, Baldihan Emperor, Crugleton Guthrie, and Edellyn Royal Leader should leave no room for doubt as to his ability as a sire.

The head of a real stock bull and a real easy feeder

This is Corona Fascination x, a direct descendant of Edellyn breeding through his famous sire Cherry Hill Royal Oak x by Edellyn Royal Leader 2nd. He is owned by Lynnwood Farms, Carmel, Indiana. Corona Fascination x, or his sons, sired the individuals which won six championships, 12 firsts, four seconds and five thirds in the 1956 International Polled Shorthorn Show. Included in these winnings were two firsts, two seconds, a third and a fourth in the get-of-sire classes. He was most certainly the "Sire of Distinction" at the 1956 International. At the 1955 International, the two top-placing ten head groups, owned by Lynnwood Farms and Glatwyn Farms, contained a total of 16 head that all traced directly to Edellyn breeding.

Each year we are happy to see at the Edellyn sale an increased number of Polled Shorthorn breeders. They have purchased a number of our top animals. Study the top sale and show winners and see how many of the best Polled Shorthorns descend from cattle purchased at Edellyn by progressive Polled Shorthorn breeders.
fort Bulldozer.

Everyone agreed that the Shorthorn Show at the 1954 International was the strongest in the history of the breed... and working their way to the top were the first two calves sired by Beaufort Bulldozer that were born in this country. Nothing could stop them. The bull was named grand champion and Supreme Champion of the show. The heifer went on to win the female grand championship. Never before have a son and daughter of the same sire, both junior calves, won EOTH championships at the great International Live Stock Exposition.

And the evidence continues to pile up... providing conclusive proof that Beaufort Bulldozer is the sire of the day. The two daughters shown in the picture at the right won the grand championship and the reserve grand championship at the 1956 National Western Livestock Show in Denver. At the left manager Fred McWilliam of Edellyn Farms holds Fontana Clipper 2nd, the grand champion exhibited by Joseph Zuro, Fontana, Wisconsin. At the right, Harry Ackerman, veteran herdsman at Edellyn Farms, holds Edellyn Dorothy 34th, the reserve grand champion exhibited by Edellyn Farms. In the background are Allan C. At.
lason, secretary, and Major H. H. Allen, past president of the American Shorthorn Breeders' Association. The get and service of Beaufort Bulldozer will be a feature of this scale.
There is one name that stands out alone in the hearts and minds of thousands of careful Shorthorn breeders. That name is

**EDELLYN**

Each passing year serves to increase this reputation. You will know why when you follow the lead of others who are making use of Edellyn bloodlines.

Edellyn Jilt 16th, first prize winner at the 1956 International. She is a daughter of Edellyn Choice Mercury, the great sire that was purchased in the 1955 Edellyn Sale at $7,000 by R. Y. Secord & Son, Winterburn, Alberta.

Fontana Fanfare by Beaufort Bulldozer, Junior herd bull at Fontana Farms, Wisconsin, owned by Joseph Zuro.

Greenwood Bulldozer by Beaufort Bulldozer, Junior herd bull at Greenwood Farms, Ohio, owned by David S. Graham.

Sets New Shorthorn Top
In The Argentines

Balkibahan Byword, a son of Balkibahan Box-Accord and a half brother to Balkibahan Emperor, the new herd sire at Edellyn Farms, Wilson, Illinois, recently set a new record top for a Shorthorn in Argentina. The price was 350,000 pesos or $19,600. Byword was a second-prize bull in the January class at the 1956 Perth Sale where he sold to James Schofield for 320 guineas ($960). He is out of a dam by Beaufort Benbow.

Right—Almahurst Augusta 3rd by Beaufort Bulldozer, Purchased by Vaughn Moore, Lenox, Iowa, in the 1956 Edellyn Sale at $1,300.

Left—Almahurst Barmpton Leaf 3rd by Beaufort Bulldozer. Purchased by Avenel Farms, Bethesda, Maryland, in the 1956 Edellyn Sale at $1,500.

We hope you will arrive a day ahead of the sale for a closer inspection of the great Edellyn Herd.

Edellyn practices castration vaccination regularly, hence no mention is made of this fact in the individual descriptions appearing in this catalog.
Edelwyn Clipper 61st
A great female from our 1956 show team and from one of our greatest breeding females. Her dam, granddams, and great-granddams are pictured on page 9. She stood first at Wisconsin, second at Illinois and the American Royal, and sixth at the International. She is in calf to Edelwyn Brave Knight, our junior herd sire by Beaufort Bulldozer, and a bull you must be sure to inspect on sale day. Bred December 27, 1956. Examined and pregnant.

A more valuable brood cow prospect never left Edelwyn

Edelwyn Augusta 59th
From our 1956 show herd, this beautiful female stood second in class at the American Royal and sixth at the International. Her dam, a grand cow, produced Edelwyn Augusta 59th that sold to David Graham for $2,300. The calf she was carrying by Beaufort Bulldozer was first prize junior bull calf at the 1956 Ohio State Fair and is retained as a stock bull at Greenwood. Her next calf was sold to Michigan State University in our 1958 sale. Edelwyn Augusta 59th is bred to Beaufort Bulldozer.

Edellyn Roan Rosebud

This is one of the most valuable females we have sold. Her conformation matches her pedigree. Her dam, a wonderful cow, is also the dam of the $2,500 Edellyn Perfect Reward, the $1,550 Edellyn Gaelic Mercury and the $3,000 Edellyn Royal Leader. Her only other daughter has been retained in the herd and is our best two-year-old heifer. This daughter was bred February 3 to Balbithan Emperor. She has been examined and is safe in calf.

Edellyn Golden Drop 7th

There will be few better heifers sold anywhere this year than this daughter of Edellyn Choice Mercury. She has a lovely head and a great body on short legs. Her dam cost $2,300 and is one of our best cows. She is also the dam of Edellyn Royal Leader 195th, first prize and reserve champion Iowa State Fair, sold to Johnson Bros., of Iowa. Her last daughter sold to Vaughn Moore, Lenox, Iowa. She was bred December 13 to Balbithan Emperor, has been examined and is pregnant.

It would be difficult to write a better pedigree and a great heifer goes with it.

Edellyn Orange Blossom 94th

A full sister sold to Louada Manor Farms in our 1956 sale. Her sire produced the 1958 Illinois State Sale champion that sold to Vaughn Moore, Lenox, Iowa. Her dam is by Kirkton Envoy, a great bull that sold at 2,000 gns. in the Perth sale and sired the Perth reserve champion Lawton Nelson, whose progeny captured most of the championships in the 1956 Polarm sale in the Argentine. She sells open.

Her full sister went to the great Louada Herd a year ago.

Edellyn Broadhooks 50th
This is one of the better females in the sale, full of style and character, and with a pedigree to match. Her sire, Drummondreach Advocate, was Clint Tomson’s Perch champion in 1953 and is now heading the strong Ashbourne herd in Kentucky. Note that her dam is an imported cow by the great Bampton Principal. She sells open.
Edellyn Augusta 60th

A combination of the blood of Calrossie Mercury, Kirkton Baronet and Craggleton. Perfect makes this an extremely valuable foundation female. This very breeding heifer will sell with a breeding privilege to the bull of the purchaser's choice.

Look over the great bulls in her pedigree... then buy her

Edellyn Jealousy 26th

Sired by Balbithon Emperor and a heifer's first calf, this should make a winning summer yearling for 1957 shows. Her dam purchased at a cost of $1,150 in the 1955 Hi Ho Invitational sale was sired by the great $4,900 Greenwood Souvenir, stock bull in the Carl Stander herd. She is short legged, smooth and thick. Sells open.
Edellyn Annabella 6th

One of the few remaining Cruggleton Guthrie heifers to be offered for sale. They are proving to be great Brook cows. Her dam was a twin sister to Edellyn Annabella 2nd sold to John Alexander & Sons for $4,100. Edellyn Royal Leader 74th sold to Australia for $2,100. Edellyn Royal Leader 97th sold for $1,100. Edellyn Annabella 3rd sold to Ainsworth Farms for $1,500. She sells bred to Balbithan Emperor.

We’ve sold a topper from this family in each Edellyn Sale
