Descriptive Summary

Identifier  ICU.SPCL.CRMS268
Title  Handwritten Medical Instructions
Date  19th century
Size  1 volume
Repository  Special Collections Research Center
            University of Chicago Library
            1100 East 57th Street
            Chicago, Illinois 60637 U.S.A.
Abstract  Ten unbound, handwritten sheets in French. Lists of instructions to help diagnose and treat various illnesses.

Information on Use
Access
The manuscript is open for research.

Citation
When quoting material from this collection, the preferred citation is: Handwritten Medical Instructions, Crerar Ms 268, Special Collections Research Center, University of Chicago Library

Scope Note

Ten handwritten sheets, in French, of instructions to help diagnose and treat various illnesses. Some include descriptions of physical symptoms and the diseases they indicate. Others describe the procedures for preparing and administering medical treatments, including one to 'purify the blood.' Another provides the exact measurements of each ingredient in an ‘elixir of health.’ None of the pages includes a date.

Manuscript sheets found in printed book, call number: S411.C46 1718 Rare Crerar
