Digital Images

Original documents, texts, and images represented by digital images linked to this finding aid are subject to U. S. copyright law. It is the user's sole responsibility to secure any necessary copyright permission to reproduce or publish documents, texts, and images from any holders of rights in the original materials.

The University of Chicago Library, in its capacity as owner of the physical property represented by the digital images linked to this finding aid, encourages the use of these materials for educational and scholarly purposes. Any reproduction or publication from these digital images requires that the following credit line be included: Special Collections Research Center, University of Chicago Library.

The images presented here may include materials reflecting the attitudes, language, and stereotypes of an earlier time period. These materials are presented as historical resources in support of study and research. Inclusion of such materials does not constitute an endorsement of their content by the University of Chicago.

The University of Chicago Library appreciates hearing from anyone who may have information about any of the images in this collection.
