Access

Open for research. No restrictions.

Citation

When quoting material from this collection, the preferred citation is: De Lee, Joseph B., Notes on Obstetrics, Crerar Ms 48, Special Collections Research Center, University of Chicago Library

Scope Note

Published, typed copies of formal research notes, with holograph annotations, describing the physiology of female fertility, pregnancy, delivery, and care of infants. Includes holograph indices in the front of both volumes. Inscribed in both volumes: "To my friend and advisor, Dr. E. C. Dudley, these notes are presented by the author, as a token of high regard. J. B. De Lee. October 5, 1902." Copied and distributed by A.W. Skelsey, 2431 Dearborn, Chicago, 1902.
